NEVER RETIRE YOUR SPIRIT.
NEVER LET GO OF YOUR CURIOSITY.
AND NEVER SURRENDER YOUR ZEST FOR LIFE.

R E T I R E N O T H I N G

Dream of a place where opportunities abound,
friendships flourish,
and possibilities are limitless.

Where you can live as you like. Do as you choose.

Be who you are.

“I’VE LIVED IN OTHER PLACES – TRAVELED
AROUND THE WORLD. BUT I’VE ALWAYS
FELT AT HOME IN LAKE FOREST.”

Those who love it know it best: Lake Forest is a place like no other.

So, when Presbyterian Homes dreamed of creating a community here, we knew it would have to be as distinctive as Lake Forest itself.

To create Lake Forest Place, we drew upon everything we’ve learned, over more than 100 years of providing exceptional residences and services for older adults.

From the sweeping, 49-acre wooded setting – with its own lake and winding walking trails – to the careful attention

we gave to even the smallest detail, we set out to embrace and express the special style and sensibility that make up the Lake Forest way of life.

And, just as we anticipated, Lake Forest Place became the destination of choice for people who choose to not merely retire, but redefine retirement: spirited, independent-minded,

accomplished people, who insist on an easy elegance and unpretentious sophistication – whose curiosity and zest for living cannot be diminished, and whose welcoming warmth cannot be equaled.

Lake Forest Place is a non-sectarian member of Presbyterian Homes, the leader in providing exceptional choices to older adults for more than 100 years. Ideally located in Lake Forest, but as close to Chicago as the next train, Lake Forest Place offers equally easy access to Market Square or Michigan Avenue, the Lake Forest Symphony or the Art Institute of Chicago.

“I LIKE THE UNDERSTATED ELEGANCE,
THE GARDENS, THE FOUNTAINS.
LAKE FOREST PLACE HASN'T BEEN HERE ALL THAT
LONG, BUT IT'S ALREADY A TRADITION.”

Masterfully planned and built to be the most complete (and completely remarkable) retirement living destination, Lake Forest Place's spacious campus offers private spaces and public places of unparalleled style, comfort and convenience.

From charming cottages and stunning townhouses to uncommonly generous and well-appointed apartments – some as large as 2,200 square feet – you'll find exceptional accommodations to suit every

taste and style. You may choose our standard (but hardly ordinary) design features, or select from a wide array of available interior options to make your new home even more truly your own.

Unquestionably, the heart of our vibrant community is the town center, with its sun-splashed atrium, lecture hall, library and inviting chapel. Every need has been anticipated – and every advantage included.

Enjoy delicious meals in our exquisite

dining room, appointed like a fine restaurant and overlooking a beautiful courtyard. Meet friends at the Woodlands Café for a casual breakfast or lunch, or reserve our elegant, private dining room for

special occasions. We'll help you with ordering flowers and menus, and reserve a comfortable guest suite for your overnight guests.

It's all set in surroundings of splendor and serenity, with beautifully landscaped

gardens to delight you in every season, plus fountains and shaded walkways that make the most of the area's natural beauty. If you enjoy the pleasures of gardening, our resident garden offers a creative and relaxing way to exercise your green thumb.

Combining all the best features of a residence and a resort, it's a place you'll be proud to call home.

Filled with elegant architectural details and an abundance of natural light, our open floor plans optimize space and provide the perfect opportunity for individual expression.

**“LIVING WELL STARTS WITH BEING WELL.
LAKE FOREST PLACE HAS EVERYTHING I NEED TO ENHANCE
MY WELL-BEING – IN BODY, MIND AND SPIRIT.”**

Shaping the life you want comes down to having choices. That’s why we offer such a vast array of options, opportunities and amenities.

Take fitness and wellness: it’s all about making healthy choices. And you’ll find more and better choices for enhancing your well-being, in every way, at Lake Forest Place.

From massage therapy to aerobics and personal trainers, you’ll discover a host of vital fitness resources. Our Fitness and Therapeutic Center offers a range of advantages for every interest, tailored to the special needs of older adults. You’ll find strength-building machines, treadmills, and stationary bicycles; fitness classes in yoga, Pilates, tap dancing and Tai Chi. If you love the

water, swim a few laps in our sunlit pool – or relax and get the kinks out in our warm-water therapy pool.

We also support the emotional and spiritual well-being of our residents with our pastoral care and social work

teams. All faiths are welcome at Lake Forest Place. We offer non-denominational services in our chapel, and our pastoral care staff visits residents as desired. Meanwhile, our social services team provides support through life’s

transitions, with assistance in making the best use of all the healthcare and therapy services available on campus.

When it comes to strengthening your body, expanding your mind or supporting your spirit, all your options are open at Lake Forest Place.

With amenities, activities and learning opportunities geared to holistic wellness, few communities can offer more ways to make fitness fun than Lake Forest Place.

**“ANDANTE, ALLEGRO, CON BRIO.
THE MUSIC OF LAUGHTER AND FRIENDSHIP IS A
BIG PART OF THE RHYTHM OF LIFE HERE.”**

Your friends are the family you choose. So, there's a wonderful new family waiting to welcome you to Lake Forest Place.

With so many interesting and accomplished people eager to introduce you to the Lake Forest Place lifestyle, it won't take long before you feel right at home. Here's your chance to continue living life to the fullest, forging new bonds and discovering new interests.

Whether you like staying close to home or getting out and about, there's something for everyone at Lake Forest Place. Enjoy parties or outings – or put on a pot of tea and settle in with a good book. Special interest groups, originated

by residents, keep their members engaged and connected. Groups change with members' preferences, but offerings have included marble sculpting, genealogy, bridge, self-portraiture and woodworking.

Join others at Lake Forest College for concerts or classes. And, you're never more than one friend away from a duet!

Your family and current friends will love to come by – maybe to take in a croquet tournament or a lecture on campus. The grandkids will love making a splash at the pool or trying to land that 8-pound bass in our fully stocked pond. All your guests are our guests, too!

*Be as active as you like or as leisurely as you choose: at Lake Forest Place,
you can live life at your own pace, on your own terms.*

“WHAT WILL IT BE TODAY?
LET’S TALK ABOUT WHAT YOU WANT TO DO.”

Time passes. Needs change. But at Lake Forest Place, you won’t have to waste even a minute worrying about what tomorrow may bring. We provide excellent healthcare services and personal caring right here on campus – led by a full-time medical director, a board-certified internist with extensive training in geriatrics.

Although you can keep your own doctor, you may choose to see one of our physicians at our outpatient clinic; consult a visiting specialist; or check in with the wellness nurse. Our comprehensive, innovative rehabilitation therapies help residents make the best possible recovery from surgery or illness. Staffed with only Presbyterian Homes’ employees, all therapy sessions are one-on-one. Other extensive, on-campus healthcare services include:

- Assisted living in a gracious setting at The Highlands at Lake Forest Place. Residents of the studio and one-bedroom apartments

receive assistance with the activities of daily living and take part in a range of activities and wellness programs.

- Licensed, skilled nursing care and memory care in all-private rooms at the Balmoral Care Center – in surroundings thoughtfully designed to look and feel like home. You’ll find welcoming lounges and dining rooms, as well as specially planned activities and programs to entertain, stimulate and encourage interaction.

Your peace of mind is assured through our 24-hour security team, plus an in-home emergency call

system. Equally comforting are our ties to leading medical facilities, including Lake Forest Hospital, Condell Medical Center and NorthShore University HealthSystem.

Best of all, our skilled, experienced, and dedicated staff has been specially educated in the care of older adults. Their insight and compassion is your best assurance that you’ll receive the care you deserve.

*A rewarding way of life in an enviable location – with real peace of mind.
That’s what makes Lake Forest Place your best choice: for today and tomorrow.*
